MyPNI aims to enhance Northern Ireland postgraduates' academic and professional lives, provide academic support by fostering communication of research ideas and collaboration, and to encourage social interaction between member students.

The objectives/aims of the Society shall be **to establish a platform and a network for Malaysian postgraduates in Northern Ireland**

- To represent and promote the interests of postgraduate students in the university environment, in both social and intellectual pursuits.
- To run regular academic and social events that will encourage students to forge contacts, thus creating the idea of a postgraduate community.
- To provide useful information and point of reference for the current postgraduate students and also to new prospect postgraduate student, through our website.
- To be the Organising Committee for the Joint Malaysian-UK-Ireland Conference in Queen's University Belfast first ever conference in June 2010.
- To be a supporting body for postgraduate students wishing to organise academic events or social activities.
