Call for Abstract

UMIES 2010 is open to Malaysian postgraduate students in engineering sciences who are currently studying in Malaysia, United Kingdom and Ireland. UMIES 2010 aims to provide an excellent platform to Malaysian students to share and exchange research findings and ideas.

The objectives of the conference are as follows:

- To increase the involvement of Malaysian students in an internationally recognised conference.
- To promote the value of knowledge sharing and networking among Malaysians and also with their international counterparts.
- To strengthen the bond among the academic institutions of three countries in sharing new ideas and strengthen future research activities.

The themes for the conference include:

1. Chemical, Bioprocess and Food Engineering
2. Mechanical, Aeronautical and Materials Engineering
3. Civil and Environmental Engineering
4. Electrical and Electronic Engineering, Computer Science and Information Technology

The conference is hosted by The Ministry of Higher Education (MOHE) Malaysia, Queen’s University Belfast (Queen’s), Malaysian Students Department UK and Eire (MASDUKE), Universiti Malaya (UM) and Malaysian Postgraduates of Northern Ireland (MyPNI). Guidelines for online submission and other information are available at the conference website www.mypni.society.qub.ac.uk/umies
